

Come una tela bianca la sperimentazione parte dal colore e si spinge fino a trovare nuove forme di utilizzo del materiale.

E' così che MR ART DESIGN fa del vetro non una semplice porta,
ma uno stile di vita che si traduce in un DISEGNO COERENTE dello spazio architettonico
che sa ancora di artigianale.

Lo studio del vetro si apre anche a nuovi materiali, in particolare l'alluminio, e diventa così un
RACCONTO DELL'ABITARE.

La porta di MR ART DESIGN: un autentico e vivace percorso progettuale che accoglie classici e nuovi progetti,
anticipa tendenze e spesso cambia i codici dell'abitare. Dalla leggerezza,
assoluta solidità e affidabilità nel tempo dell'ALLUMINIO, delle trasparenze, riflessi,
giochi cromatici e di superfici perfettamente lisce o vellutate del VETRO,
dalla naturalezza e colore delle diverse essenze del LEGNO insieme all'energia dei colori laccati.
I materiali primari sono costantemente reinterpretati per presentare
a un pubblico vasto proposte esteticamente vaste.

*As on a black canvas, the experimentation starts from the color and goes so far as to find new ways
the use the material. And that's why MR ART DESIGN means not just a glass door, but a lifestyle that
results in a coherent architectural space that still tastes homemade.*

The study on glass also opens to new materials, especially aluminum, and this became a real TALE OF LIVING CONTEMPORARY.

*The door of MR ART DESIGN: an authentic and lively design process that includes classic and new
projects, anticipates trends and often change the codes of living. Lightness, strength and absolute
reliability ALUMINUM. transparencies, reflections, color effects and perfectly smooth surfaces or
velvety GLASS, the naturalness and warmth of the various WOOD along with the energy of
distinct proposals to a wide audience.*

SCAVO COLORE.
Una mano esperta scava il vetro e nelle incisioni il colore cola.

*THE COLOR HOLLOWING.
An experienced hand hollow out the glass and the color
pour into the engravings.*

LA SABBIATURA.
Un getto di sabbia opacizza e impreziosisce il vetro su cui prima una pellicola è stata applicata.

THE SANDBLASTING.
A jet of sand makes opaque and embellishes the glass with technique of craftsman, it is captured within it by careful layering technique.

IL TESSUTO.
Il lino è tra strati di vetro che lascia intravedere la sua inconfondibile texture.

THE TEXTIL.
Linen is between layers of glass which are showing itsunmistakable texture.

LA STRATIFICAZIONE.
Vetro su vetro. Strato su strato.Per due facce equivalenti di un'unica porta.

THE LAYERING.
Glass on glass. Layer upon layer. Two equivalent sides of a single door.

LA STAMPA.
Tutto è possibile. Con una stampa. Tra vetro e vetro. Per una porta veramente unica.

THE PRINT.
Everything is possible. With a print. Between glass and glass. For a truly unique door.

LA LACCATURA.
Predomina la vocazione cromatica. Impressa sul vetro con tecniche di artigiano, e cattura al suo interno mediante un accurata tecnica di stratificazione.

LAQUERING.
Predominates vocation color. Etched on the glass with technique of craftsman,it is captured within it by careful layering techique.

COLORI D'ARREDO

La forza del colore unita a quella del design si fondono diventano oggetto d'arredo come le porte in vetro MR Art Design. Infinite possibilità cromatiche descrivono un ampio panorama capace di soddisfare spazi e gusti dell'abitare contemporaneo, di osare con accostamenti originali.

I motivi decorativi nascondono sofisticata tecnologia e i raffinati dettagli evidenziano il lavoro artigianale, esaltandone il pregio. Tutto questo in un'unica porta, una superficie vitrea che emoziona già al primo sguardo.

In the glass doors of MR Art Design the power of colour and design turns into a timeless home feature. The variety of shapes and shades create a broad landscape of options that satisfies any requirement and desire and allows the experimentation of unconventional combinations.

The ornamental motives conceal sophisticated technology while the polished details highlight the supreme craftsmanship. All this captured within a door, a glassed surface which truly excites one's eyes, upon the first and simplest sight.
